Experience

GHOST GIRL STUDIOS | STUDIO CO-FOUNDER & LEAD DEVELOPER | 2025 - PRESENT | REMOTE - UNITED STATES

- Cultivated a volunteer team of 5-10 collaborators across common disciplines, including programming, art, audio, design, and writing.
- Designed and implemented core gameplay systems and supplementary tools.
- Coordinated project planning, milestones, and task prioritization.
- Guided and prompted collaborators to support development of an original commercial title currently in production.

SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE | ITS ADMINISTRATIVE ASSISTANT | MAY 2025 - MAY 2026 | EDWARDSVILLE, IL

- Sorted an organization's email group composed of automated tickets, faculty questions, and system admin requests.
- Processed system access requests submitted by faculty, students, and staff.
- Gathered approvals, communicated system-specific comments, and used a custom ticketing script.

ABBVIE | SUMMER INTERN | JUNE 2022 - AUGUST 2022 | LAKE BLUFF, IL

- Established an electronic database to organize historical data into a chronological, efficient system.
- Utilized existing software in a novel fashion to search a collection of 400+ assays.
- Maintained automated lab machinery by preparing test plates.
- Followed proper procedures to produce bulk quantities of catalyst for next-day use.

Skills & Abilities

COMPUTER TECHNOLOGY

- Proficient in Microsoft Office Suite, Google Suite, and Adobe Suite. Advanced knowledge of programming languages: HTML5, JavaScript, C family (C, C++, and C#), GDScript, Python. Familiarity with Blender,

Unreal Engine, Unity, and Godot. Imaging and editing experience with Krita and Aseprite. Basic knowledge of computer hardware.

ATTENTION TO DETAIL

- Meticulous planner with the ability to focus on all levels of specificity and organization of resources for project planning.

LEADERSHIP

- Mentored younger scouts, enthusiastically volunteered with students affected by various developmental challenges, and led an Eagle Scout project for rank advancement in Boy Scouts of America.
- Led the self-made studio *Ghost Girl Studios*, managing scheduling and assignments, setting milestones and intermediate deadlines, and organizing an interdisciplinary team of 5-10.

Honors and Activities

GAME DEVELOPMENT GROUP | TREASURER | FALL 2025 - SPRING 2026

- Served as Treasurer for the SIUE *Game Development Group*, hosting a game jam open to the entire student body, managing club finances, upholding student government club standards, and educating newcomers on simple game development tools and guides for further learning.

SCOUTS OF AMERICA | EAGLE SCOUT | 2011 - 2023

- Served in various leadership roles, including Troop Guide, Instructor, and Crew President; inducted into the Order of the Arrow; and volunteered more than 30 hours annually to community and conservation needs.
